

Varsity Venues. All-Star Amenities.

Just as in real estate, successful tournament planning is really all about location.

You want easy access, stunning views, and close proximity to great recreation, dining and entertainment. And at the top of your list: A high return on your investment, as your ultimate goal is ensuring attendees have a positive, memorable experience — and can't wait to return.

Conveniently located in Central Minnesota, St. Cloud boasts more than 1,700 hotel rooms within a range of budgets. And our wide variety of tournament, event and meeting space means ample bleacher space, multiple sheets of ice for winter activities, plenty of fields for ball games, and enough concessions to quench a champion thirst!

Combined with easy access by air, auto or train, the St. Cloud area becomes a perfect centralized Upper Midwest destination for your next tournament.

Truly successful events are just as

much about what happens after you adjourn — and the St. Cloud area delivers with virtually unlimited activities and attractions.

In fact, visitors continue to comment

on just how much there is to see and do here.

As a thriving Mississippi River city, we are blessed with access to all of the river's recreational offerings.

Off the water, visitors can take in a show at one of our historic theaters or relax in one of our renowned international gardens.

All of these attractions and more are found minutes or even steps away from our conveniently located facilities and lodging.

There's a unique St. Cloud experience just waiting for you and your group. Call Kelly at the St. Cloud Area Convention and Visitors Bureau when planning your next event or tournament.

Whether you're a seasoned professional or first time planner requiring expert assistance, our professional sales team looks forward to helping you. ■

Hit the water, then the town.

When the BIC SUP One Design Challenge rolls into Minnesota, St. Cloud will be the only place to get in on the action. With the Mississippi coursing through downtown and lakes and rivers both in the city and out, paddle sports just come naturally.

PADDLE TO THE MEDAL!	MAY 26 & JUNE 29 LAKE GEORGE DOWNTOWN ST. CLOUD	JULY 4 & JULY 28 MISSISSIPPI RIVER HESTER & WILSON PARKS
